

LISTA DE EXERCÍCIOS PARA RECUPERAÇÃO – 1º SEMESTRE – 2º ANO**INGLÊS****Treat You Better**

Shawn Mendes

I won't lie to you
I know he's just not right for you
And you can tell me if I'm off
But I see it on your face
When you say that he's the one that you want
And you're spending all your time
In this wrong situation
And anytime you want it to stop
I know I can treat you better
Than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can
I'll stop time for you
The second you say you'd like me too
I just wanna give you the loving that you're missing
Baby, just to wake up with you
Would be everything I need
And this could be so different
Tell me what you want to do
'Cause I know I can treat you better
Than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can
Better than he can
Give me a sign
Take my hand, we'll be fine
Promise I won't let you down
Just know that you don't
Have to do this alone
Promise I'll never let you down
Cause I know I can treat you better
Than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can, oh (3X)

O excerto abaixo foi adaptado do conto "True Love" de Isaac Asimov.

"My name is Joe. That is what my colleague, Milton Davidson, calls me. He is a programmer and I am a computer. I am Milton's experimental model. His Joe. Milton has never married, though he is nearly 40 years old. He has never found the right woman, he told me. One day he said, "I'll find her yet, Joe. I'm going to find the best. I'm going to have true love and you're going to help me. I'm tired of improving you in order to solve the problems of the world. Solve my problem. Find me true love."

03) Do que Milton Davidson está cansado?

04) Por que Milton Davidson não se casou e o que ele espera que Joe faça por ele?

Global Handwashing Day

October 15, 2009

Although people around the world wash their hands with water, very few wash their hands with soap at critical moments. Global Handwashing Day will be the centerpiece of a week of activities that will mobilize millions of people across five continents to turn handwashing with soap before eating and after using the toilet into an ingrained habit. This could save more lives than any single vaccine or medical intervention, cutting deaths from diarrhea by almost half and deaths from acute respiratory infections by about a quarter.

07) Que hábito a campanha descrita no texto pretende incentivar?

08) Segundo o texto, em quanto esse hábito pode reduzir as taxas de mortalidade?

Economics and Software Piracy

If software were less expensive, would people pirate less? Research conducted to answer this question suggests that many people pirate programs regardless of their price tag. The economic factor provides the pirate with a means to justify his or her actions, but it isn't a real motivator. A common justification for this kind of behavior is that software companies are enormous and make billions of dollars; making one single unauthorized copy of the software wouldn't hurt them. 09) Segundo o texto, o que o resultado da pesquisa relacionada à pirataria de software sugere?

10) Por que, de acordo com o texto, as pessoas acham que é moralmente justificável piratear programas de computadores produzidos por grandes empresas?
